ASTIGMATISM.

What It Is, and How Corrected.

Astigmatism or Irregular Vision is one of the most common of all the refractive errors. It is due to the irregular curvature of the film known as the Cornea. Of course no instrument is sufficient to correct it, but in the hands of a thoroughly efficient and competent Eye specialist the ophthalmometer reveals the exact condition of the eye in a way that nothing else can. If your eyes need attention have DR. J. T. JOHNSON to put them under this wonderful treatment. Office hours 8:30 to 12:30; 2 to 6. 302½ S. Elm St.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU }
HIGH POINT, N. C., June 28. }

Two of Mr. Thomas Barker's little children are confined to their beds with fever, we are sorry to state.

Miss Affie Harris, of Hickory, who has been visiting friends and relatives in and around the city for several weeks is now at the home of Mr. H. C. Kearns, near here.

It is reported that it is more than probable that "Captain Dick" will be presented here soon. We hope that we will have the pleasure of witnessing this popular and beautiful military play and are sure that as good local talent as can be found in the state can be secured here for its presentation.

Rev. J. M. Hilliard and family, formerly of this place but who have been residing in Greensboro for some time, arrived last evening to make High Point their future home. The household effects came through the country. They are domiciled at their home on North Main street. Glad to welcome them back among us.

Josh Motsinger, who lives near here, Arthur Lindsay, of Bethany, T. Sugg, of Thomasville, and another young man whose name we did not learn, boarded the 7:12 passenger train here last night for California where they will reside in the future, hoping to make their fortune in the wild and and wooly west.

The proposed pants factory for High Point of which we have made mention before in these columns has materialized and will be ready for business just so soon as the machinery arrives and is put in place. The office of the company is now being built. The enterprise will be known as the High Point Pants Factory and will do business in the Hammer-Jordan building on South Main street. And still they come.

Two of our youthful citizens have disappeared rather mysteriously. It is supposed that they have started out to see more of this big world which they have been reading about of late and to stay, perhaps, as they carried change of cloth s with them, till they make their fortunes. But judging from other trips made by some of our youths they will not stay very long but in due time the prodigals will turn their faces homeward where the fatted calf awaits their return.

Visitors from several of the southern states will be here confederate unveiling day, July 4th, to pay tribute to their dead comrades and loved ones of the lost cause who sleep beneath the "sod and the dew" in the soldiers graveyard here. The monument erected in their memory will be unveiled on this day. The committee in charge of the occasion extend a hearty welcome to all. Come to the "Manufacturing City" on this day and you will find her gates wide open to receive you.

A wreck occurred on the Asheboro road near the railroad crossing, opposite the Dougan Davis place, yesterday evening, which delayed the train for several hours. A box car getting off the track caused the trouble. The shifting engine went down and brought the passengers to High Point in time to make connection with the southbound local. Among the crowd was a handcuffed crazy man, being taken to the state hospital at Morganton. This individual persisted in having a scrap with the negro firemen on the engine, while on the way here, and with no little difficulty was he prevented from getting his hands on the darkey.

FISHER VERSUS CLEGG.

Case to Be Tried at 5 O'Clock This Afternoon.

The case of B. J. Fisher vs. W. F. Clegg, wherein Capt. Fisher seeks to compel Mr Clegg to vacate the building occupied by Clegg's Hotel, came up for trial before 'Squire G. T. Glascock this morning. By request of the plaintiff's council the hearing was postponed until 5 o'clock this afternoon.

Mr. Clegg leased the hotel building for five years, the term expiring a few months ago, but refuses to surrender the property because it was specified in the lease that he was to have the privilege to lease it again.

Col. John N. Staples represents the plaintiff and Maj Chas. M. Stedman and L. M. Scott represent the defendant.

Hotel Normandie.

Hotel Normandie is new to the people of Greensboro and surrounding country. But the Mrs. Jane Hopkins' make of boys' clothing is known far and wide for its durable hard wear resisting qualities. The garments are cut from perfect patterns, while the pants are made double seat, double knee, with the seams all taped.

These goods are sold here exclusively by Rankin, Chisholm, Stroud & Rees. See their new ad today.

NEWS FROM WASHINGTON.

General Fitzhugh Lee is Coming Home On a Vacation.

MRS. EMMA D. E. N. SOUTHWORTH

The Novelist, Critically Ill—The Postal Telegraph Line To Greensboro and Charlotte.

Special to the TELEGRAM.

Washington, June 28—A letter was received in this city the other day from Senator James K. Jones, chairman of the democratic national committee, by a friend. The senator is sojourning in Europe, and has thus far derived much benefit from his trip over the continent. He states in the letter that his health is much better than when he left the United States, in fact is now visiting Belgium, the Rhine, and Switzerland, and will visit Paris and Scotland. It is likely that he will also spend some time in England before returning to this country. The senator has not definitely arranged on the date of his return to the United States, but he will be here in time to take part in the active work of the campaign in some of the doubtful states this year. While away from the United States the senator writes that he has given himself up almost entirely to pleasure, and has not bothered himself about matters of a political nature.

It is understood that the senator from Arkansas is saving up his strength for the contest next year when the national campaign will be on, and president, and congress are to be chosen. The senator has no idea, it is said of retiring from the chairmanship of the democratic national committee, but will lead the fight next year for the election of a democratic president. He is loyal to Col. Bryan, and in his letters to his friends in this city has expressed the opinion that he will secure a renomination next year. He expects that the brunt of the fight next year will be in the western states of Illinois and Indiana, but a strong fight will also be put up in New York state.

At the census office it is stated that very few clerks will be appointed before a year from next July. The examinations are being conducted here daily, and there are a large number of applications on hand. The appointments to the clerical force will be divided in Virginia, about thirty going to each of the two political parties. In North Carolina there will, it is understood, be no division agreed upon, but it is believed that several democratic clerks will be given positions. In most of the other southern states the clerical force apportioned to them will be equally divided between the two parties.

Postmaster Wray T. Knight, of Richmond, who arrived in the city Monday, was at the postoffice yesterday morning. He is here primarily for the purpose of securing an increase in the salary of his clerical force. He expresses the opinion that the postoffice department will accede to his request. Mr. Knight returned to Richmond yesterday afternoon.

General Fitzhugh Lee will probably visit the United States during the present summer. This is the latest intelligence given out by the war department. He will probably visit Washington, and will then go to his home in Virginia for a stay of a few weeks. He will take his leave for the purpose of obtaining much needed rest and recreation.

It is said that the southern wholesale grocers' association eighth annual convention, which will assemble at Asheville July 6th will be the largest ever held by the association. It is expected that the entire southern states, and two territories will be represented at the convention.

The condition of Mrs. Emma D. E. N. Southworth, the well known novelist who is seriously ill at her home in Georgetown, D. C., is said to be quite critical. Owing to her advanced age her recovery is doubtful.

At the office of the Postal Telegraph Company it is said that it will not be long before the line to Greensboro and Charlotte is completed. The Postal expects in the near future to extend its line to other southern points also. R. A. Walker has been chosen vice-president, in place of H. Bradley Davidson, and J. Edgar Walters has been chosen cashier, of the Lincoln National Bank of this city.

The comptroller of the currency has approved of the Chase National Bank of New York City as reserve agents for the Farmers' and Mechanics' Bank of this city.

Dovie Roberts has been commissioned postmaster at Cove Creek, N. C.

Willis E. Thornton has been commissioned postmaster at Elevation, N. C.

Among North Carolina people in Washington are Messrs. P. J. Gleeson, Asheville; W. H. McCabe, Mrs. McCabe and son, of Durham; W. F. Robinson, Greensboro.

THE BAND LAWN PARTY.

A Hungry Throng of People Spend Money Freely.

Whether the people of Greensboro take especial interest in the fire department and the new band, or entertain a natural "weakness" for ice cream, the lawn parties given recently for the benefit of the two organizations have been the most largely patronized ever given in the city.

The Eckle lawn, where the Gate City Band lawn party was given last night, was packed with people from early in the evening till nearly midnight, and the thirty waiters, thirty tables and more than an hundred chairs could not accommodate them.

The band furnished plenty of good music, taking only short rests infrequently during the entire evening. Prof. Kirkman, of High Point, was with them.

The receipts were $130 01, the profits being about seventy-five per cent. of that amount.

Miss Susie Stone received the largest number of votes, winning the handsome bouquet offered the prettiest young lady on the lawn. The voting was heavy.

The two balloon ascensions were probably the most successful of the kind ever seen here. The large paper balloons were watched until the lights became so distant that they resembled stars.

The band boys wish to return their hearty thanks to all who contributed in any way to the success of the undertaking and promise to give Greensboro a band second to none in the state.

WILL RECOVER HIS MONEY.

Stout's Father Agrees to Repay Jones, Who Was Robbed.

J. F. Jones, who was robbed of $75 by William Stout, Monday afternoon, has made arrangements by which he will recover his money, Stout's father agreeing to return it. Nevertheless, Sheriff Gilmer and Deputy Weatherly are hunting for young Stout and if he is apprehended the return of the money will probably have very little weight with the judge at the trial.

Stout was in east Greensboro Monday night and called at a store to get change for a $10 bill and is being tracked.

Farmer Jones remained in the city yesterday in distress, but when he closed the deal with Stout's father was too happy to assist the officers further and has gone home.

Enlarged.

Our excellent contemporary, the Durham Morning Herald, has enlarged itself recently. We extend congratulations on this evidence of prosperity.

FOR GRAND LARCENY.

Greensboro Negro Wanted in West Virginia.

Chief Scott and Officer Jordan, of the police, force this morning arrested and jailed George McCollum, colored, charged with grand larcency commited at Elkhorn, West Virginia, some time ago. McCollum is a Greensboro negro who has been working in a mine at Elkhorn. After stealing some valuable jewelry from a party there he came back home and the case was worked upon by Eugene Roberts, a deputy sheriff and private detective, of Elkhorn, who traced McCollum to Greensboro and notified Chief Scott to have him apprehended.

The chief telegraphed the detective that the man had been arrested and an officer is expected to arrive for him tonight.

By Cable to the TELEGRAM.

London, June 28—Charles Mansfield, a mechanic, claims he has discovered a sure method of resuscitating persons who have been drowned This is simply by covering the entire body with dry salt which becomes moist in the contact and draws the water from the victim's lungs.

Mansfield revived a cat after it had been drowned thirty minutes, and a dog was brought to life after having lain dead for two hours. It is believed the same method will prove feasible in the case of human beings.

WEDNESDAY, JUNE 28, 1899.

The following is from the Raleigh News and Observer:

One of the richest men in the state, who recently had occasion to travel one day from Louisburg to Raleigh and the next day from Raleigh to Hillsboro, said yesterday: "It is nothing less than a shame to see how the Southern Railway is permitted virtually to violate the Jim Crow car law. On the Seaboard road the accommodations are ample and I understand the same is true on the Atlantic Coast Line. On the Southern the white people are denied decent accommodations."

This is a sample of the complaints that come to this office. We print the above and suggest to the corporation commission the wisdom of requiring all railroads to obey the law. It is no observance of the law to refuse accommodations to travelers, and when they complain to say that it "is to be hoped that the drummers who clamored for the law will get enough of it." The drummers and others who clamored for the law did not demand a law that permitted any railroad to destroy its usefulness. The drummers know that certain officials of the Southern have made up their minds to make the separation so undesirable that the traveling public will ask for its repeal. The corporation committee will not permit such a course. All railroads will be required to give proper accommodations. We venture to suggest to the commission that it ought to investigate this matter at once and have good accommodations during the early summer when the travel is heavy.

Those who think they can force the repeal of the law do not understand the temper of the people. Separate cars are as permanent as separate schools.

The efforts of the Southern Railway or any other railroad to render the Jim Crow car law, through an improper observance of its spirit, unsatisfactory to the traveling public, will certainly not operate for the repeal of the law, but can only result in a tighter squeezing by the next democratic legislature. The people have demanded separate cars for the races, they have got them, and they are going to keep them.

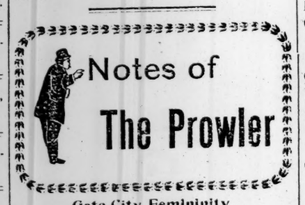
General Otis complains to the war department that the regiments sent to the Philippines are improperly officered It is the general rule for the officers to march at the head of the troops, but our kind and considerate war secretary has reversed the order, and makes the soldiers go first and the captains follow afterwards. Alger, through a fondness for his own skin, observes the "golden rule." If he were there in command of some troops, we venture the remark that he would be found always at a safe distance from the enemy.

The leasing of the Southern Loan & Trust Company's new and elegant five-story building on East Market street, by the Hotel Normandie Company, promises to be a happy event for Greensboro. There are few handsomer or more commodious and substantial structures in the country than this house; and its situation is very agreeable. When it shall have been opened to the accommodation of guests, our city will not be lacking in the most luxurious hotel accommodations that could reasonably be desired.

Some wise people are beginning to think that the war in the Philippines will be prolonged till a few weeks before the presidential election in 1900 and then Aguinaldo will suddenly be destroyed. There may be something in this theory. McKinley and his pals are going to do all that lies in their power to be elected again. A few years' war and a few thousand dead Americans and a few hundred-millions of dollars, wouldn't be much—they wouln't kick on that price at all.

The commission that has been sitting at Washington to investigate the agricultural conditions of the country, makes a very gloomy finding in regard to the farmers. Witnesses from all parts of the country were examined and from the testimony of nearly every one, the tillers of the soil were found to be in a very discouraging condition, fully 75 per cent. of them being in the hands of the money-lenders.

The catch of shad on the American coast this year is estimated by the fish commission experts at 13,000,000. The catch of suckers on the American continent is estimated at a slightly larger sum.



Notes of The Prowler

Gate City Femininity.

"I notice here," remarked the baseball editor as he sat with his feet under him upon a table, reading an exchange, "that a New York newspaper publishes the portrait of the woman whom the judges at the Paris beauty show declared to be the most beautiful woman in the world. Her name is Jeanne Dertzell, and she is undoubtedly a very pretty woman, but its my opinion that the Tarheel type of beauty could easily take the shine off 'ze fine French la—'"

Just then the Prowler dropped in and immediately asked "the subject of the lecture." And the baseball editor had to say it all over again.

The Prowler's face lighted up, and one could see that a thought had struck him. He looked eloquent if not elegant. "You are entirely correct," he said, as he fished a short-stem pipe from his pocket and began to fill it, "you are entirely correct as far as you go, but you don't go far enough," and he swelled with pompous gravity. "Reduce your proposition a few notches and bring the focus down to Greensboro. We have the sweetest lasses here that ever sun shone upon. Take my girl—oh, you ought to see my girl! She has raven locks—darker than the black hinge of midnight; eyes of such ravishing beauty that one gaze into their enchanted depths, and the soul is caught and held spell-bound in divine ecstacy; and when she laughs—oh, you ought to hear my girl laugh! Such silvery sweetness! such dulcet, witching cadence! The air, 'a chartered libertine,' stands paralyzed till the last divine strain has ceased to murmur."

Then his spell broke, and the usually prosiac Prowler lit his pipe and went out looking very sheepish, while a long, lingering, lugubrious ache from the baseball editor followed in his wake.

Convention Notes and Rates.

Detroit, Michigan, is in many respects considered the most beautiful city in the Union. On account of the International Christian Endeavor Convention to be held there July 5-10 all railroads have given a one fare rate for the round trip. UNDER CAR WHEELS.

Negro Boy Loses a Leg as a Penalty For His Smartness.

Littleton, N. C., June 27—Major Mills, a colored boy, fell under the wheels of a passenger train today, receiving injuries that necessitated the amputation of one of his legs. He was under the influence of liquor and was showing off by swinging to the platform of the train, intending to jump off when it was well under way. A few hours earlier he was arrested for working the trick when the southbound passenger train pulled out, but was released in a short time. Dr. L Pecot, Seaboard Air Line surgeon, aided by Dr. Browning, cut the boy's leg off.

WINE OF CARDUI

WOMEN WHO WORK.

ST. LOUIS, MO., Aug. 12.

Though only 19 years old, I suffered from pains and female troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved.

MISS MARGARET WALSH.

McELREE'S Wine of Cardui

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhœa, headache and backache. The pay of women workers is often so notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the houses. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For sale by C. E. Holton, druggist.

Cholera Morbus Quickly Cured.

"During the hot weather last summer I had a severe attack of cholera morbus, necessitating my leaving my business," says Mr. C. A. Hare, of Hare Bros., Fincastle, Ohio. "After taking two or three doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy I was completely relieved and in a few hours was able to resume my work in the store. I sincerely recommend it to any one afflicted with stomach or bowel trouble. C. E. Holton, druggist.

"It may be patriotic to get shot in the Philippines," says De Tanque, "but its more pleasant to be half-shot at home."

"I have also recommended these medicines to my friends who suffered from female weakness."

"I was troubled for three years with ulceration and female weakness and my doctor gave me but little relief," writes Mrs. Lulu Hunter, of Allenton, St. Louis Co., Mo. "I saw an advertisement in the paper of Dr. Pierce's Favorite Prescription. I began the use of it about a year ago. I took five bottles of it, and one bottle of 'Golden Medical Discovery,' and my health is better now than it was for years. I have also recommended these medicines to some of my friends, who suffered from female weakness, and good results have followed."

The greatest advertisement of Doctor Pierce's Favorite Prescription are the women who have used it and been cured by it. It is not a common "cure-all." It has a single purpose, the cure of diseases peculiar to women, and this purpose it accomplishes thoroughly and permanently.

There is no alcohol, or opium, or other narcotic contained in Dr. Pierce's Favorite Prescription. Such a claim cannot be truthfully made for any other preparation put up specially for women and on sale at the medicine stores. Accept no substitute.

Every sick or ailing woman is invited to consult Dr. Pierce, by letter, free of charge. Every letter is held as strictly private and sacredly confidential. All answers are sent in sealed envelopes, bearing no advertising or other printed matter upon them. Address Dr. R. V. Pierce, Buffalo, N. Y.

RUNNING SORE ON HIS ANKLE.

After Six Years of Intense Suffering, Promptly Cured By S. S. S.

Obstinate sores and ulcers which refuse to heal under ordinary treatment soon become chronic and deep-seated, and are a sure sign that the entire circulation is in a depraved condition. They are a severe drain upon the system, and are constantly sapping away the vitality. In every case the poison must be eliminated from the blood, and no amount of external treatment can have any effect.

There is no uncertainty about the merits of S. S. S.; every claim made for it is backed up strongly by convincing testimony of those who have been cured by it and know of its virtues by experience.

Mr. L. J. Clark, of Orange Courthouse, Va., writes:

"For six years I had an obstinate, running ulcer on my ankle, which at times caused me intense suffering. I was so disabled for a long while that I was wholly unfit for business. One of the best doctors treated me constantly but did me no good. I then tried various blood remedies, without the least benefit. S. S. S. was so highly recommended that I concluded to try it, and the effect was wonderful. It seemed to get right at the seat of the disease and force the poison out, and I was soon completely cured." Swift's Specific—

S. S. S. FOR THE BLOOD

—drives out every trace of impurity in the blood, and in this way cures permanently the most obstinate, deep-seated sore or ulcer. It is the only blood remedy guaranteed purely vegetable, and contains not a particle of potash, mercury, or other mineral. S. S. S. cures Contagious Blood Poison, Scrofula, Cancer, Catarrh, Eczema, Rheumatism, Sores, Ulcers, Boils, or any other blood trouble. Insist upon S. S. S.; nothing can take its place.

THE FEUD RE-OPENED.

The Baker-Howards Take to Their Winchesters Again.

Louisville, Ky., June 27—A special to the Times from London Ky., says: A report from apparently reliable sources says hostilities have been renewed in the Baker-Howard feud.

A. B. Hampton, one of Tom Baker's attorneys, while drinking, it is said, became involved in a quarrel with some of the White sympathizers when Sheriff Beverly H. White attempted to arrest him. Hampton drew a 45 calibre Colt pistol and fired three shots, two of which took effect in White's head, killing him instantly. Hampton then fled to the mountains. He is being followed, according to the report, by a number of Whites, who swear vengeance against him.

Excitement is now higher than ever, and more trouble is feared. Hampton belongs to the Philpot family, one of the strongest in the mountains.

A Cheap Trip to the Pacific Coast

The National Educational Association meeting at Los Angeles, Cal., is the occasion for the Southern Railway to put on the remarkably cheap rate of One Fare for the Round Trip (plus $2.00 Association Membership fee). This, in connection with the new Palace Tourist Sleeping Cars, operated over the Southern Railway and the Southern Pacific, a double berth in which costs only $7.00, renders possible the cheapest and most enjoyable trip of the season. A particularly pleasant feature of this trip is that the tickets are good going one way and returning another; i. e., going via New Orleans and returning through Salt Lake City and Colorado; or by the payment of $12.50 additional, the trip may be made returning through Portland, Ore.

Stop over privileges are allowed at El Paso or any point west thereof, on the going trip, and at any point west of Denver and Colorado Springs on the return trip. By this means passengers are afforded the opportunity of seeing the entire Pacific Coast. Side trips are arranged at nominal cost from Los Angeles and San Francisco to all points of interest in California. Further information may be obtained from any agent or representative of the Southern Railway, or from

"No," said the thin girl, "I don't like cycling in the country. My ankles get so dusty." "Saw-dusty?" queried the stout one, with a sweet smile.

There is a time for all things. The time to take DeWitt's Little Early Risers is when you are suffering from constipation, biliousness, sick-headache, indigestion or other stomach or liver troubles. They never gripe. Howard Gardner.

"Won't you do it to please me?" she sobbed. "Yes, he said desperately, after a pause. "I will give up everything to please you." So he decided to take her upon the ocean trip which he dreaded so much.

W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all." It relieves instantly and cures all throat and lung troubles, coughs, colds, croup, whooping-cough, la grippe and pneumonia. Howard Gardner.

Mrs Wigwag—"Mrs. Passee upset a kettle of raspberry jam over herself today." Wigwag—"Ah! nobody could deny, then, that she was well preserved."

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman. Trial bottles free at C. E. Holton's drug store. Regular size 50c and $1. Guaranteed or price refunded.

Marriage and Drowning.

Henderson, N. C., June 27—There was quite a romantic runaway couple from here yesterday. Mr. Eugene Betts and Miss Allie Pool drove over to Oxford, in the afternoon, and were united in the holy bonds of matrimony. The ceremoney took place at one of the boarding houses, and the Rev. Tuttle officiated. Mr. Betts soon returned with his fair bride.

Henry Newell, the 13-year-old son of Mr. George Newell, was drowned near Suffolk, Va., a few days ago. Mr. Newell and family were former residents of Henderson.

To cure piles, strike at the root—that's the way. DeWitt's Witch Hazel Salve strikes at the root—it removes the cause, quickly and permanently. Don't squander time and money trying to remove the effects. Howard Gardner.

The summer girl may have a good many engagements, but the telephone girls gets the most rings.

No Cure—No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills and Malaria. It is simply iron and quinine in a tasteless form. Children love it. Adults prefer it to bitter, nauseating tonics. Price, 50c.

What is Kodol Dyspepsia Cure? It is the newly discovered remedy, the most effective preparation ever devised for aiding the digestion and assimilation of food, and restoring the deranged digestive organs to a natural condition. It is a discovery surpassing anything yet known to the medical profession. Howard Gardner.

The total loss is about three thousand dollars. Insurance about one-half that amount.
